Foreword

The 1975 Rebel is like all other yearbooks- an attempt to give a pictorial account of a year's activities. A yearbook is for the student and, therefore, should be about the student as an individual as well as with others. This has been our aim.

We worked hard in the hope of achieving this goal. We take pride in presenting to you The Rebel of 1975.

LIVE EACH DAY TO THE FULLEST

Live each day to the fullest. Get the most from each hour, each age of your life. Then you can look forward with confidence, and back without regrets . . .

. . . Be yourself-but be your best self. Dare to be different and to follow your own star.

And don't be afraid to be happy. Enjoy what is beautiful. Love with all your heart and soul. Believe that those you love, love you.

Forget what you have done for your friends and remember what they have done for you. Disregard what the world owes you, and concentrate on what you owe the world.

When you are faced with a decision, make that decision as wisely as possible-then forget it. The moment of absolute certainty never arrives.

And above all, remember that God helps those who help themselves. Ask as if everything depended upon you, and pray as if everything depended upon God.

A Time for Appreciation

The 1975 Rebel is dedicated to Mrs. Judy Thurman.

Mrs. Thurman attended the University of Mississippi. She has a major in English and minors in Speech and Journalism.

Mrs. Thurman began teaching at EA in 1972. She has been a Sr. class sponsor the past two years. Mrs. Thurman has worked with us on bake sales, raffles, and basketball tournaments to raise money. Planning and supervising our Graduation is another of her responsibilities.

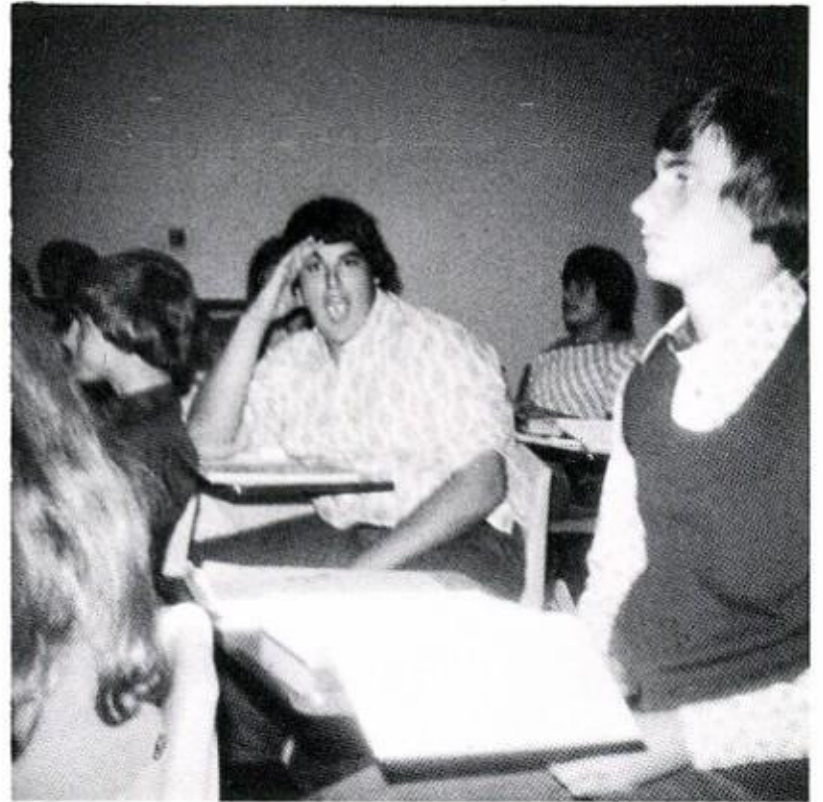

Mrs. Thurman is not only active in our school but also in our community. She is a member of the First Methodist Church of Keo and the England Heritage Club. Her home is always open to us but more importantly so is her heart. With all her many activities Mrs. Thurman is never so busy she cannot stop and listen to our problems.

Mrs. Thurman we will never be able to express how much you mean to us and how much we appreciate all you have done for us.

Thank you, Mrs. Thurman.

Everybody has a life to live,
And it belongs only to the individual.

Our lives, separately, are
but a small portion of our
time,
But put together, they are
the whole of it.

Our time is for living, singly and collectively.
Each moment we live is a new time.

A time for fun . . .

A time for surprises . . .

A time for worries . . .

A time for togetherness . . .

A time for jokes

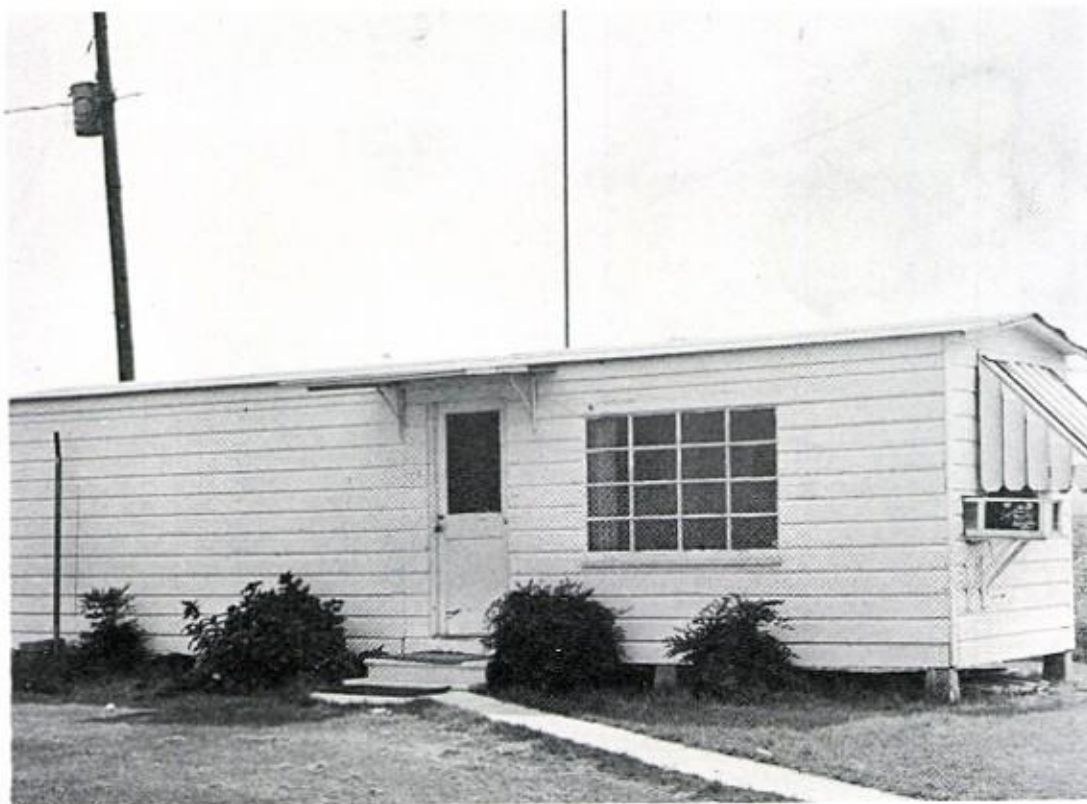

The days of our lives are far too few to do
all the things which need to be done in our time.

A Time for Activity

From 1970 to 1975 our campus has changed in many ways. Not only has it increased in size, but it has also increased in the number of students.

The Campus first began with the construction of a new building. Then there came the sounds of motors running and chattering voices. A short while later a football field was added, and a new gym was built. All these things went together to form the campus of England Academy.

Yes, this is the year 1975, and our campus is five years old. But remember this, it is still only the beginning.

Almost any time you pass by the music building you can hear music of some kind. If you listen closely you might hear anything from "Birthday Party" or "The Postman" to Beethoven's "Pathetique" or Bach's "Italian Concerto". Maybe even an occasional plunge at "Chopsticks" when Mrs. Rogers is not listening. Whatever you hear remember it well. Who knows? You might be listening to one of America's future famous musicians.

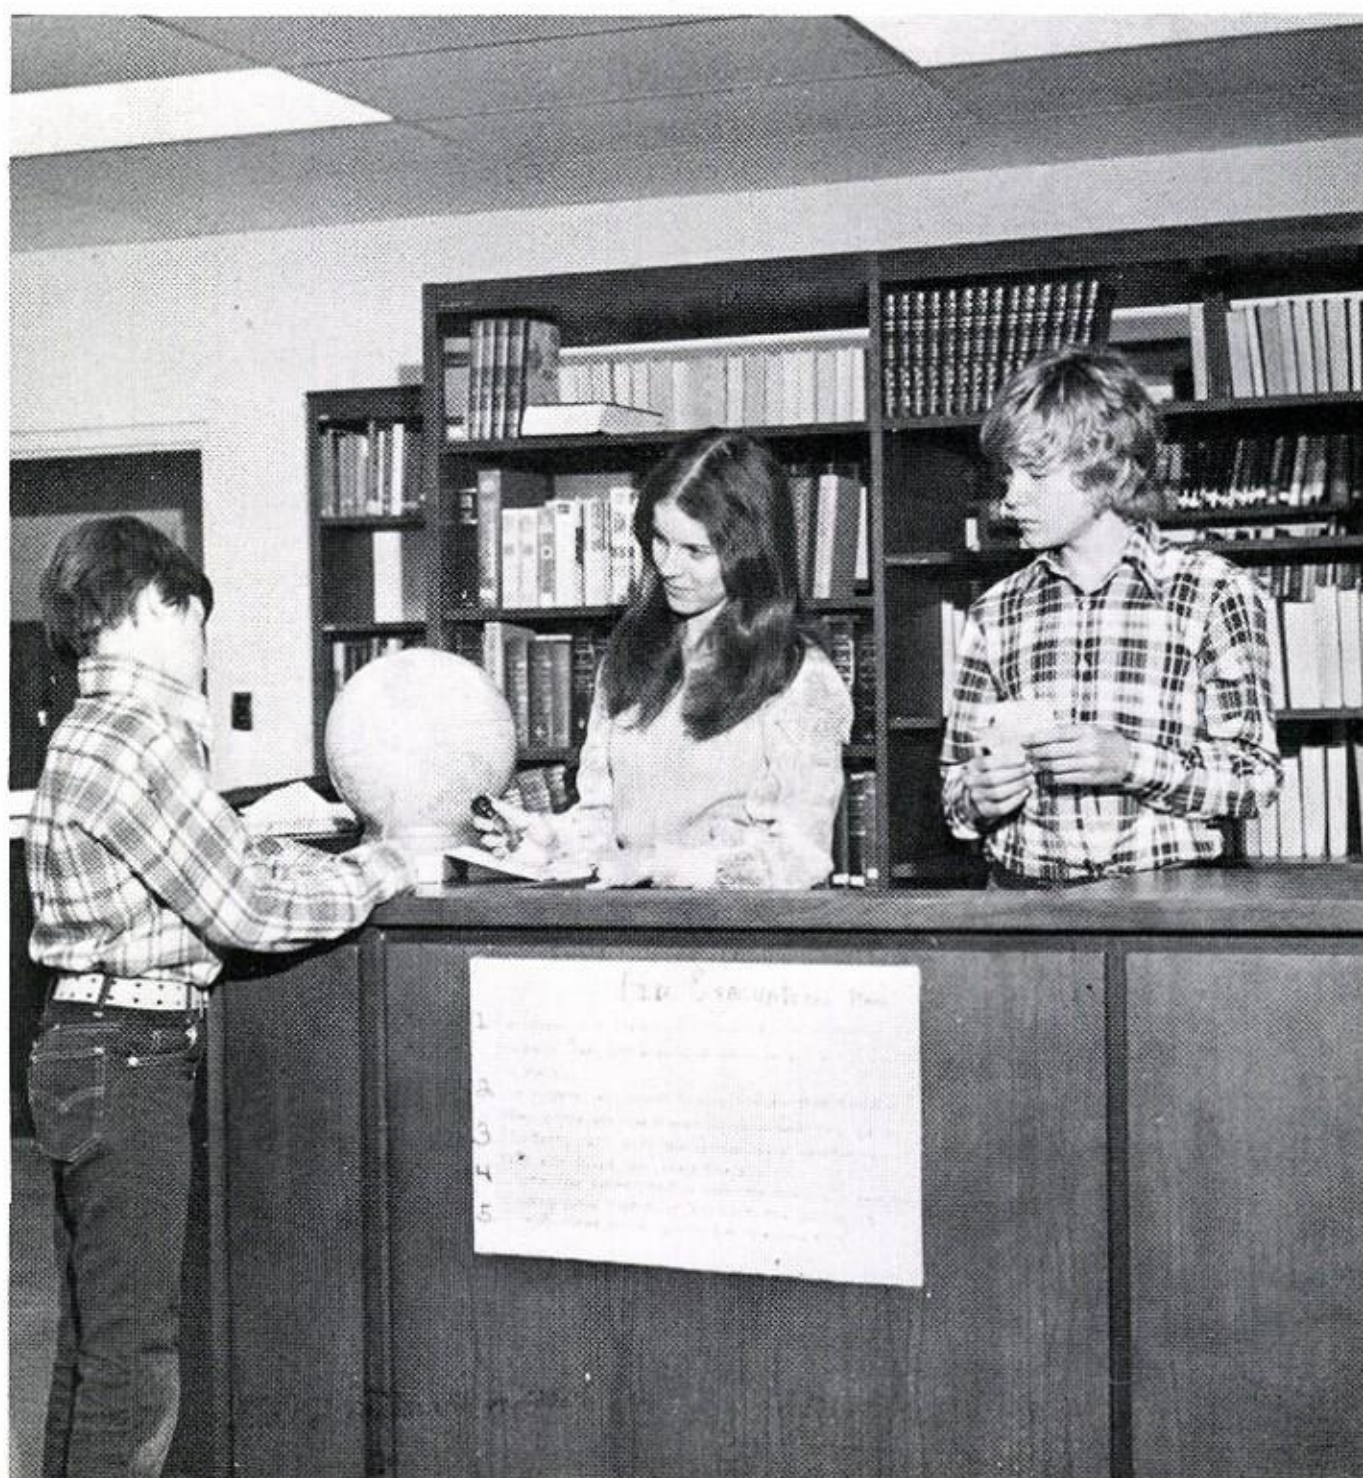

A Time for Learning

EA Library

Along with EA growth, we have acquired a new library. The number of books in our library have increased so much that we required new shelves and library equipment to satisfy the growing needs of the students.

The library is such a necessity to the lives of the students that we received a course in uses of the library early this year which will help us immensely in our school years to come.

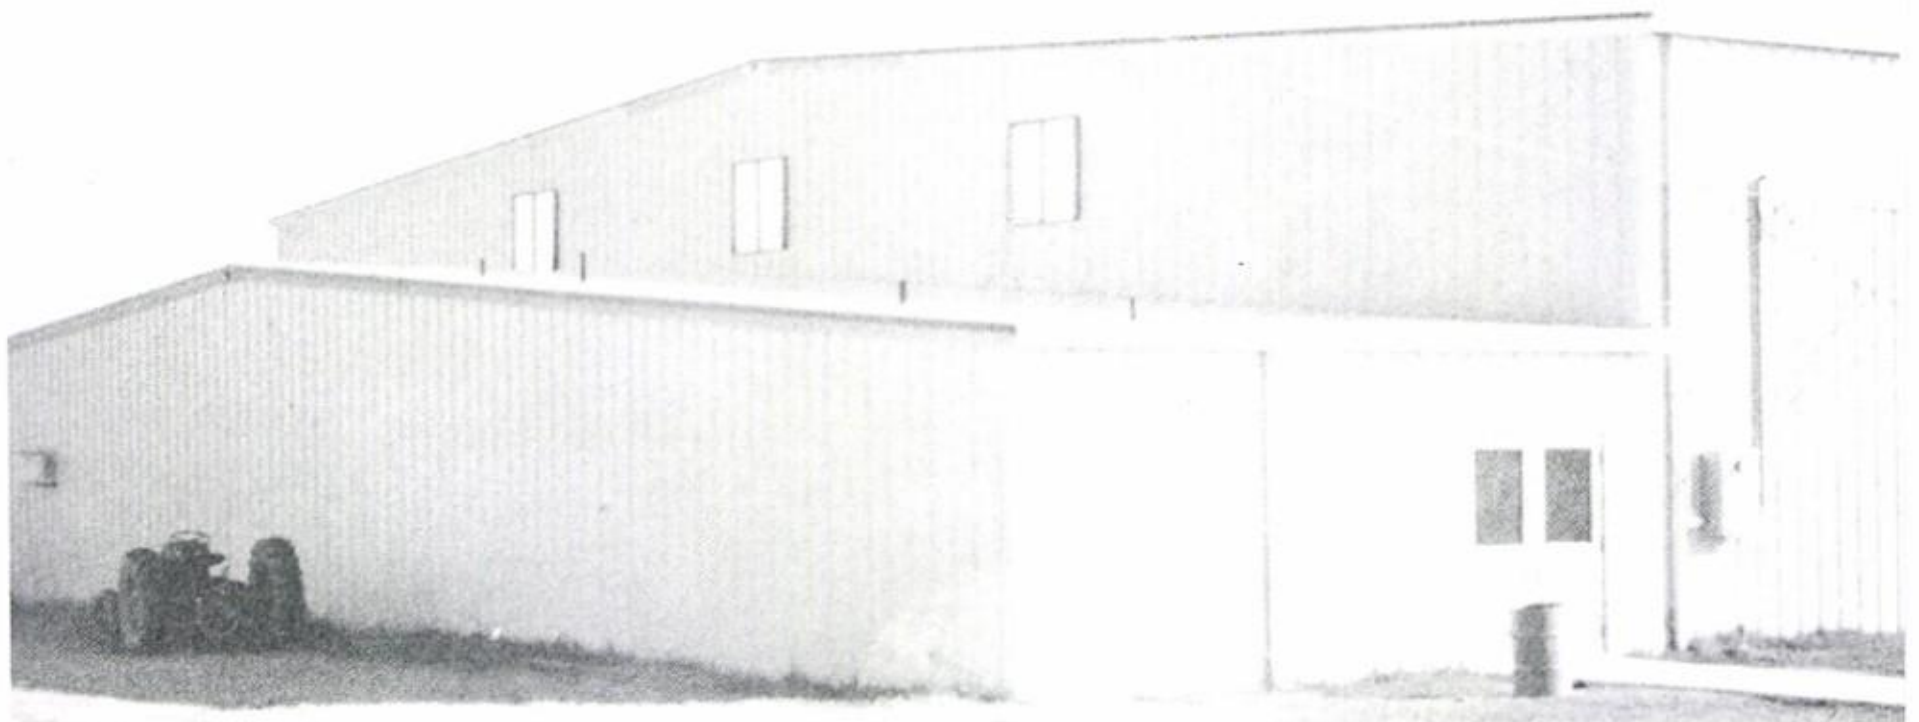

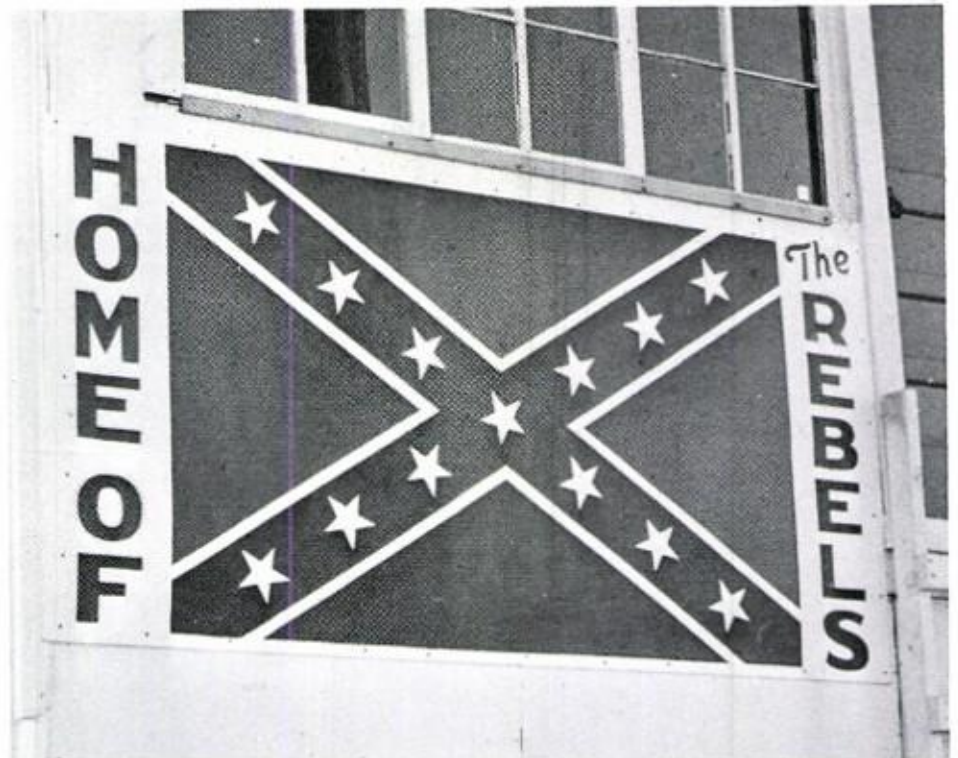

A Time for Athletics

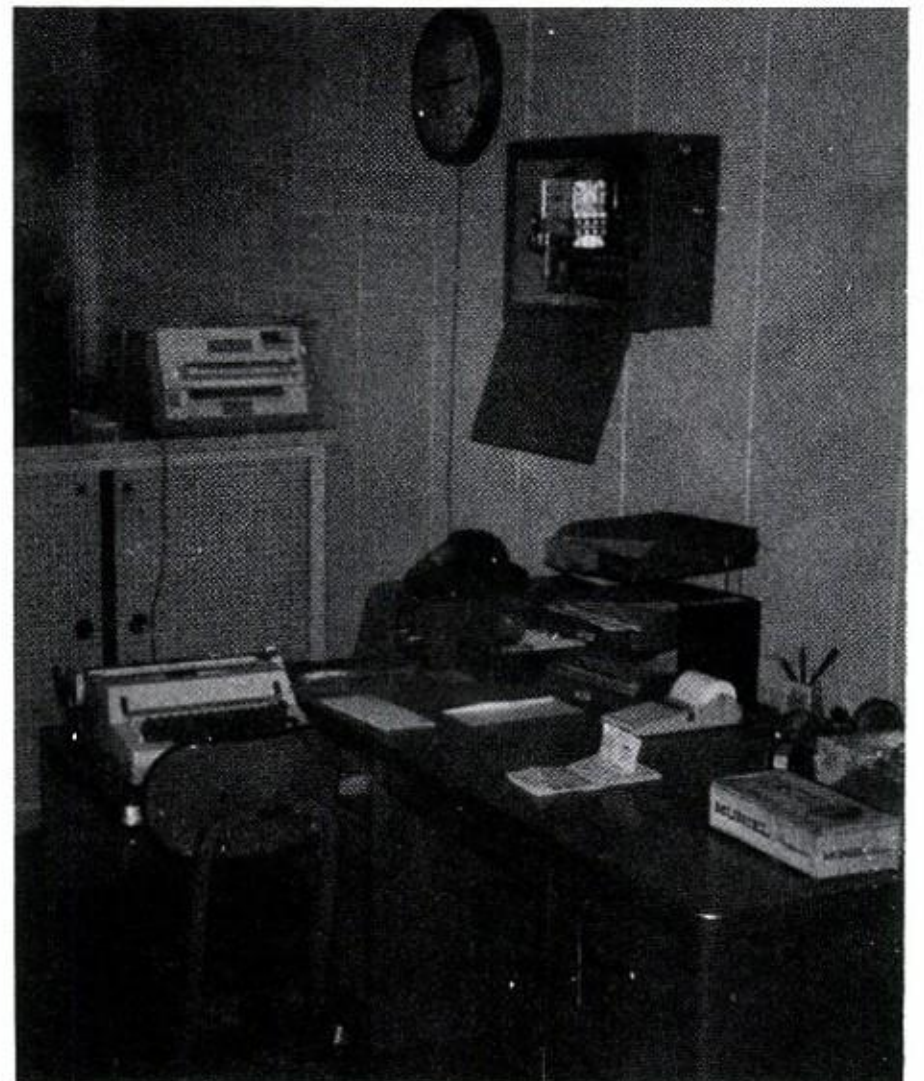

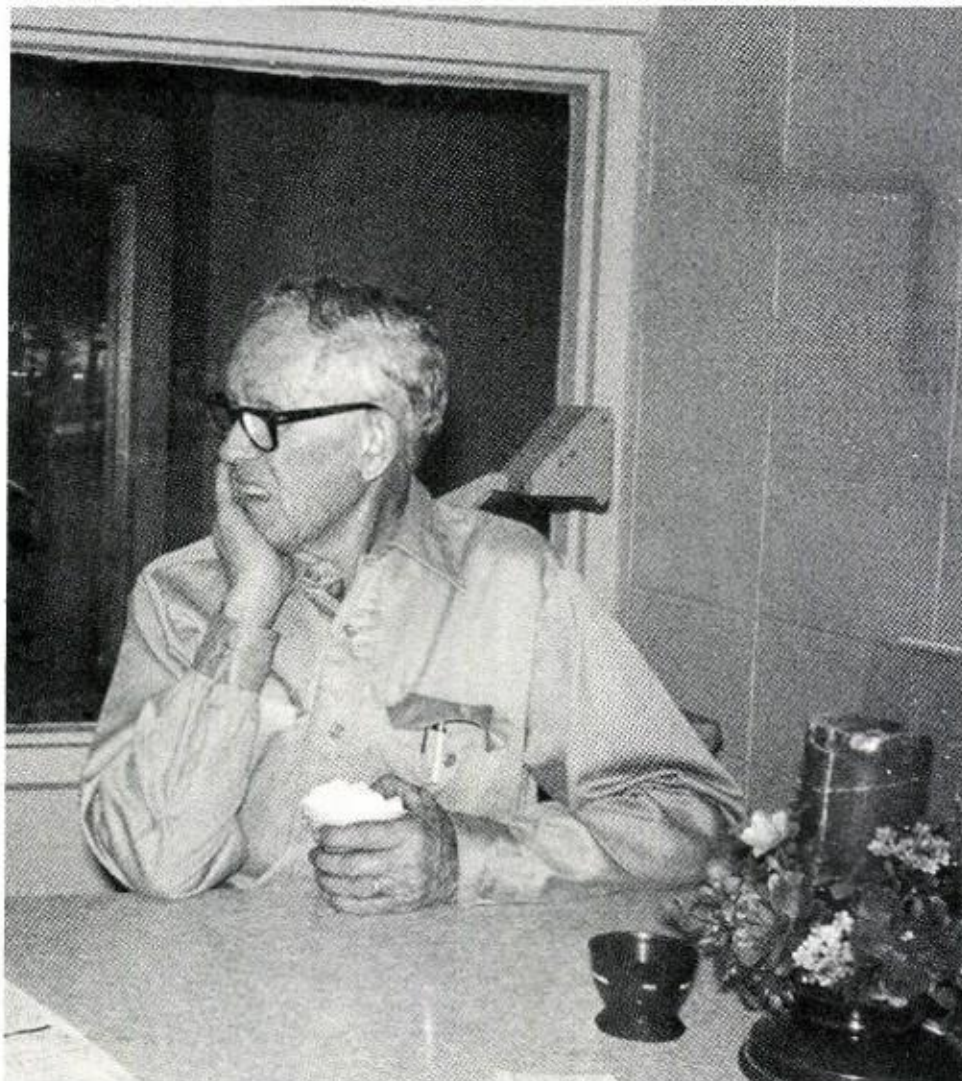

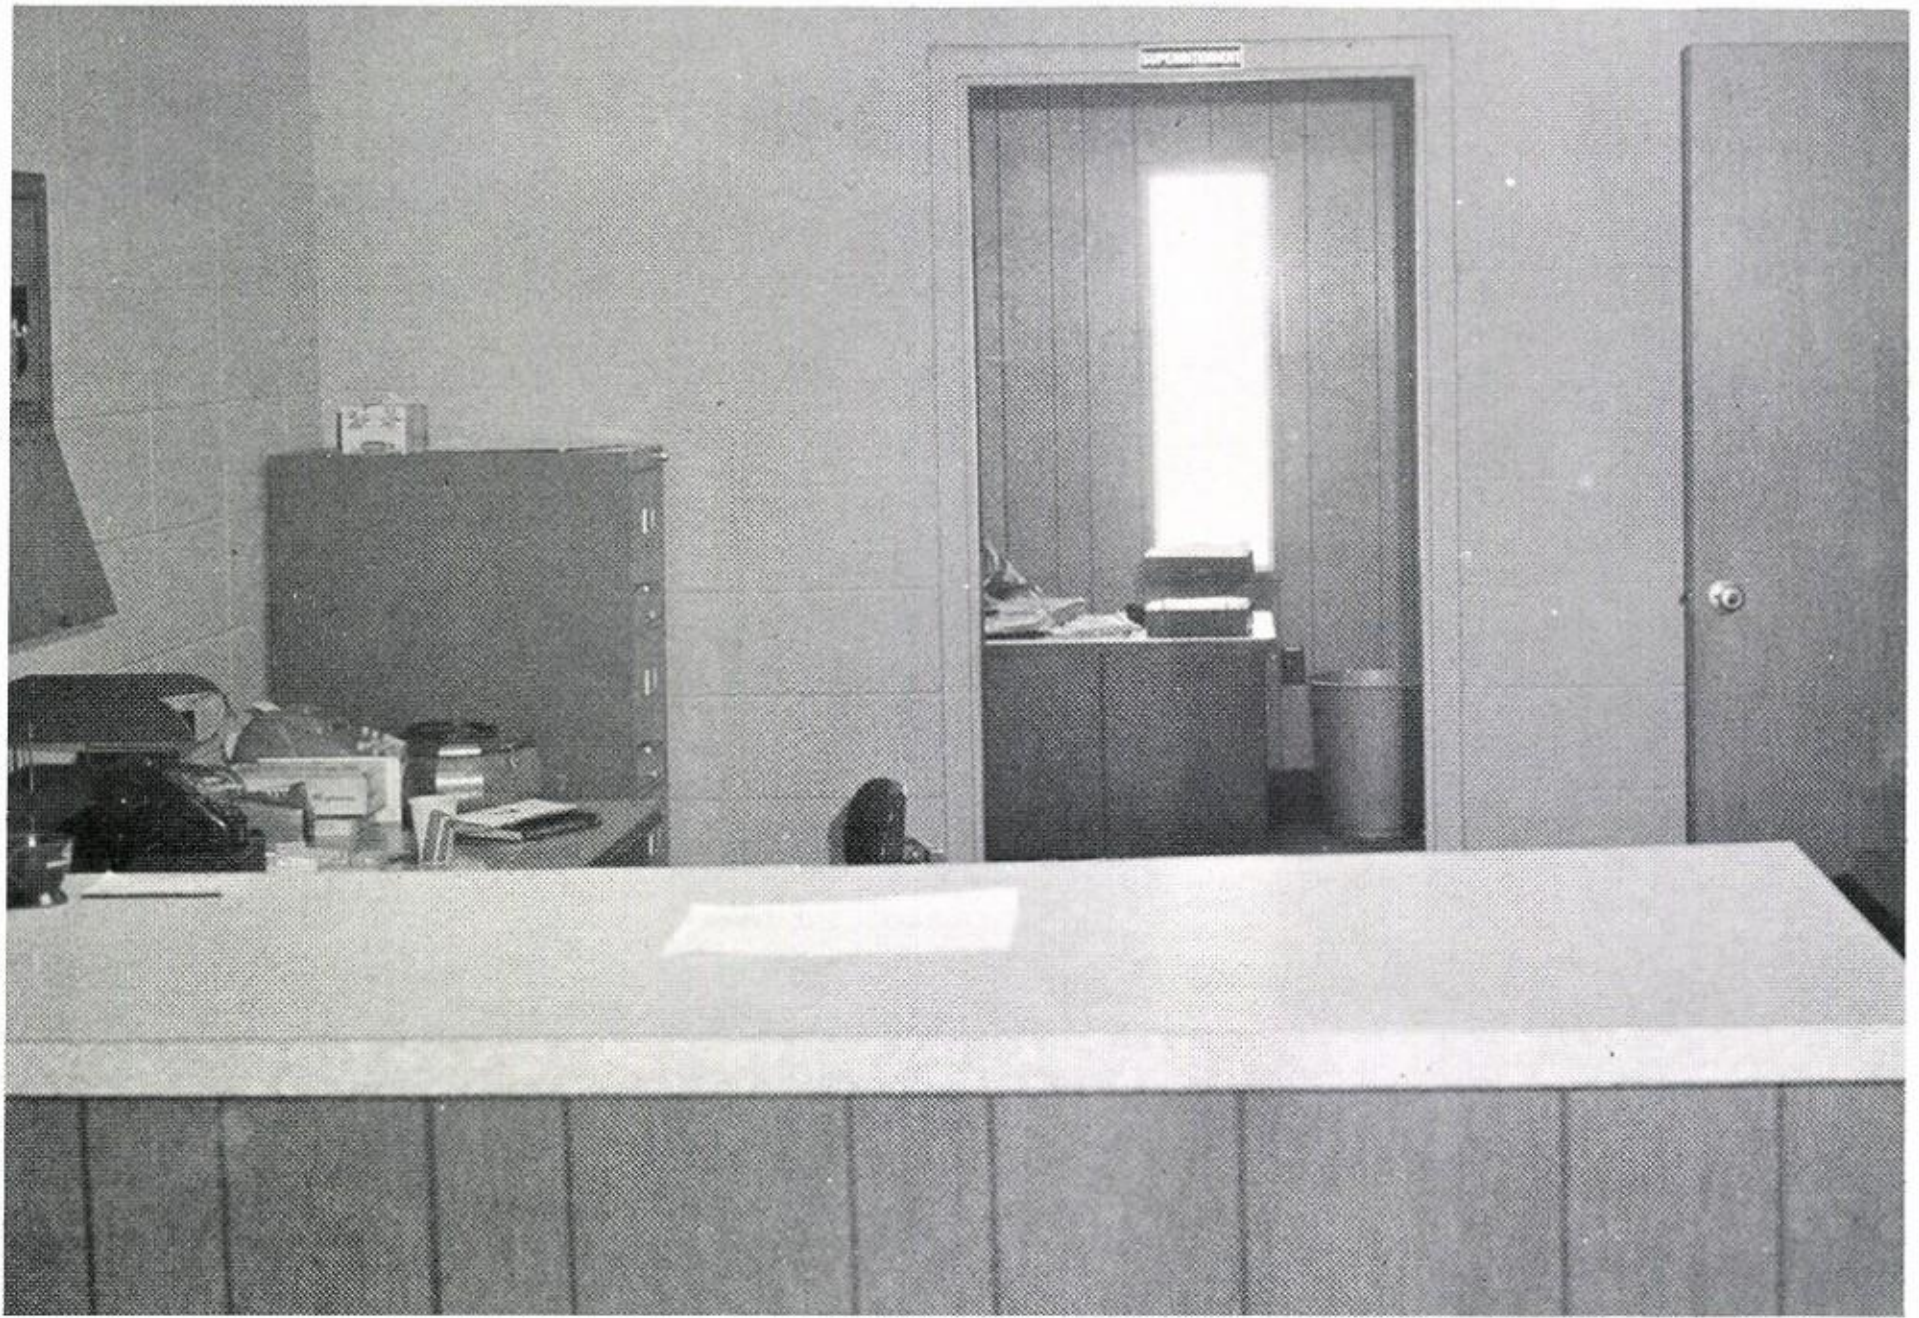

There was a time for sports. A time we spent on our football field and in our gym. There were close games, won in the final moments, resounding cheers for the home team, injuries and tears, victories and laughter, but mostly, there were good times we shall never forget. All those games with Jefferson, or Montrose, or Pulaski, or whoever, will fade into the past and only the memories will remain. Very good memories.

Yes, there was a time for Sports

FACULTY AND ADMINISTRATION

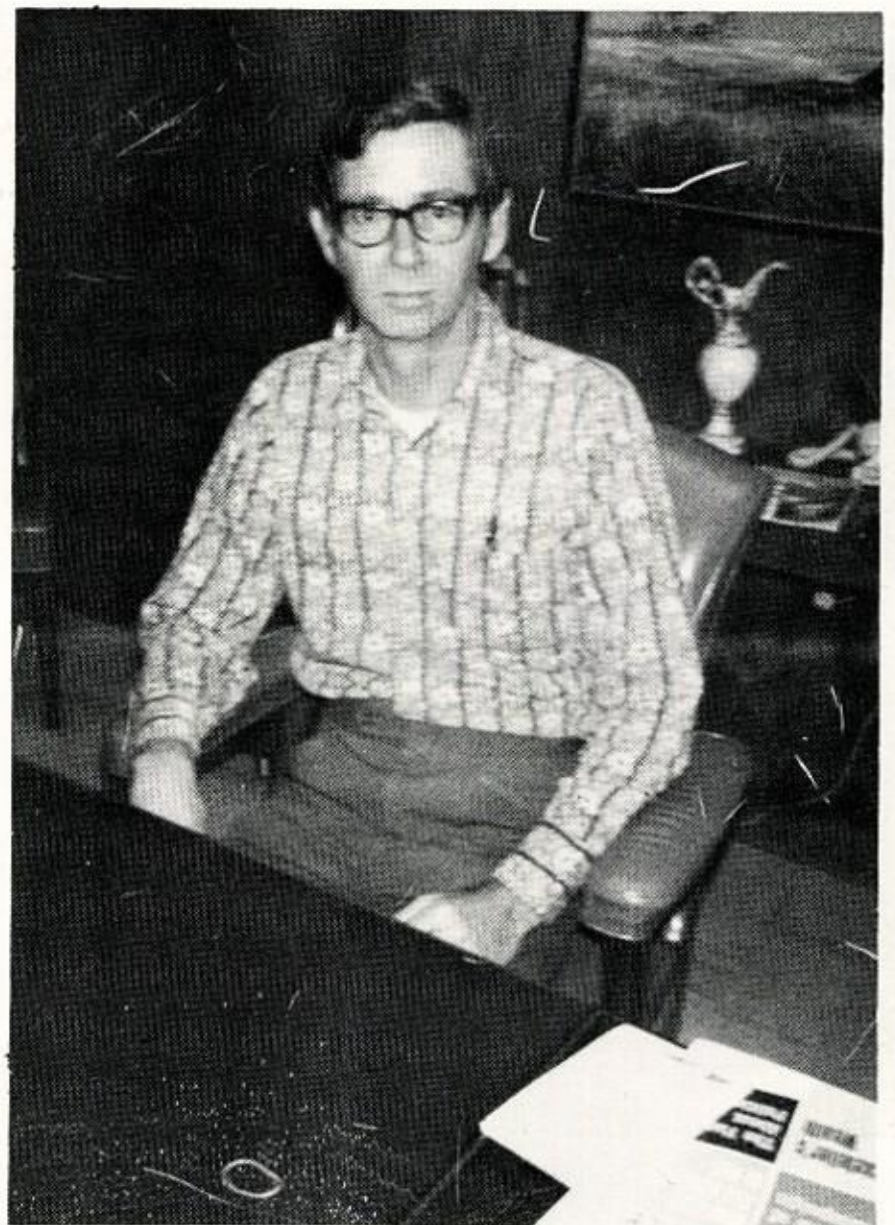

A Time for Leadership

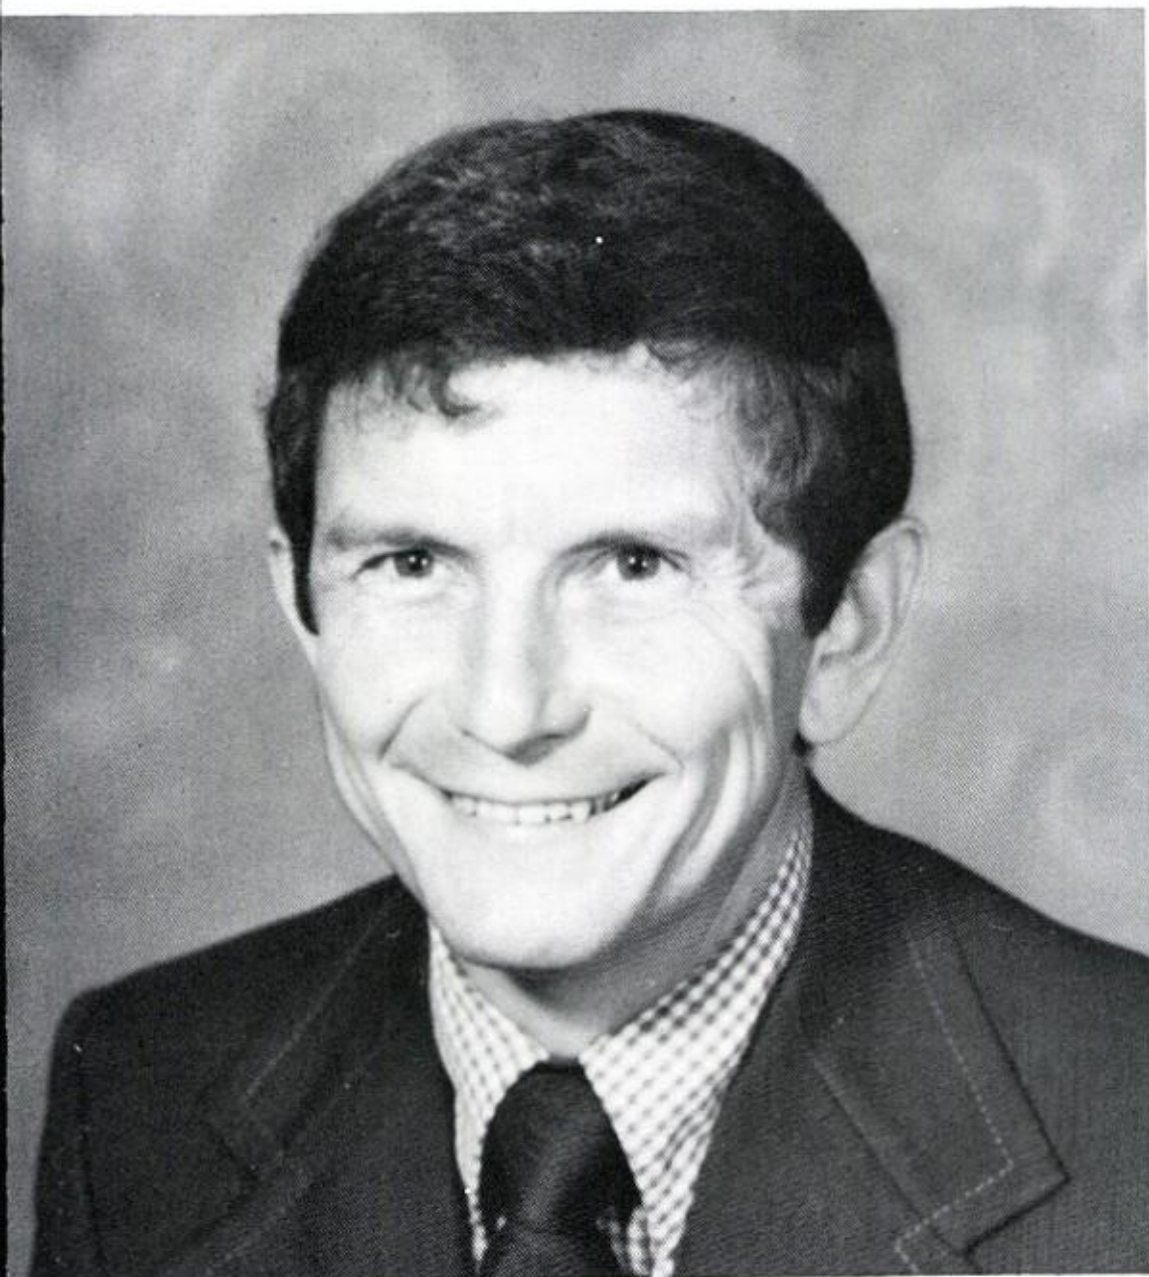

L to R: Jim Dean, Clint Henderson, Bob CarlLee, Otha Frizzell, Ronnie Bruton, and Carroll Leonard-President

The Board of Directors is a group of men who work very hard each year to make the school year a success. They are the ones working behind the scenes of school activities and programs to make England Academy what it is today. As long as we have men like this behind us we cannot fail. Their leadership and ability to work hard are two qualities that enable us to be successful in all we do.

We, the 1975 England Academy Rebel Staff, would like to thank each member of the board for the time and consideration they have given England Academy.

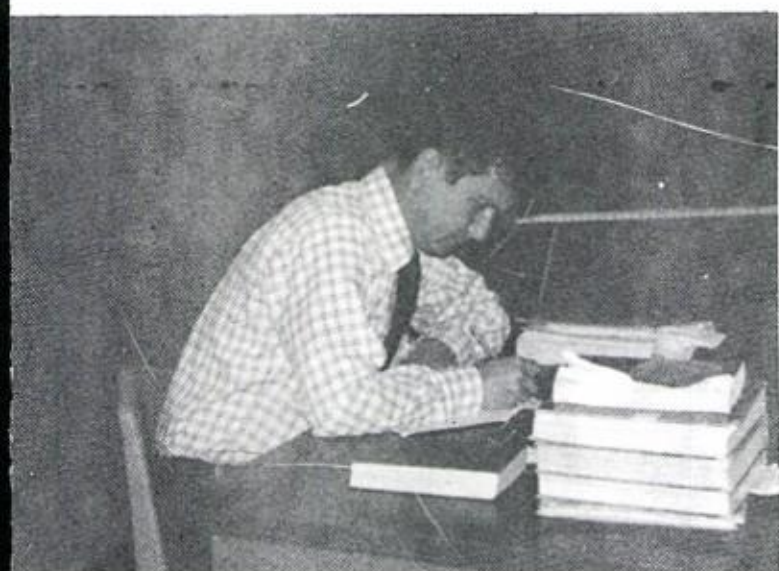

This year at England Academy has been an interesting and challenging experience. I have come to feel the private school systems have tremendous potential. Much is required of all persons involved--parents, teachers, students, administration, and interested individuals. One of the most pleasant experiences of the year has been the support we have received from these sources.

I feel that we have had a good year at the Academy. However, we must never be satisfied with standing still. In order to be worthy of our existence, we must continue to improve.

Congratulations to Mrs. Smith and the Annual Staff on a fine production.

Mr. Robert Davis
Headmaster

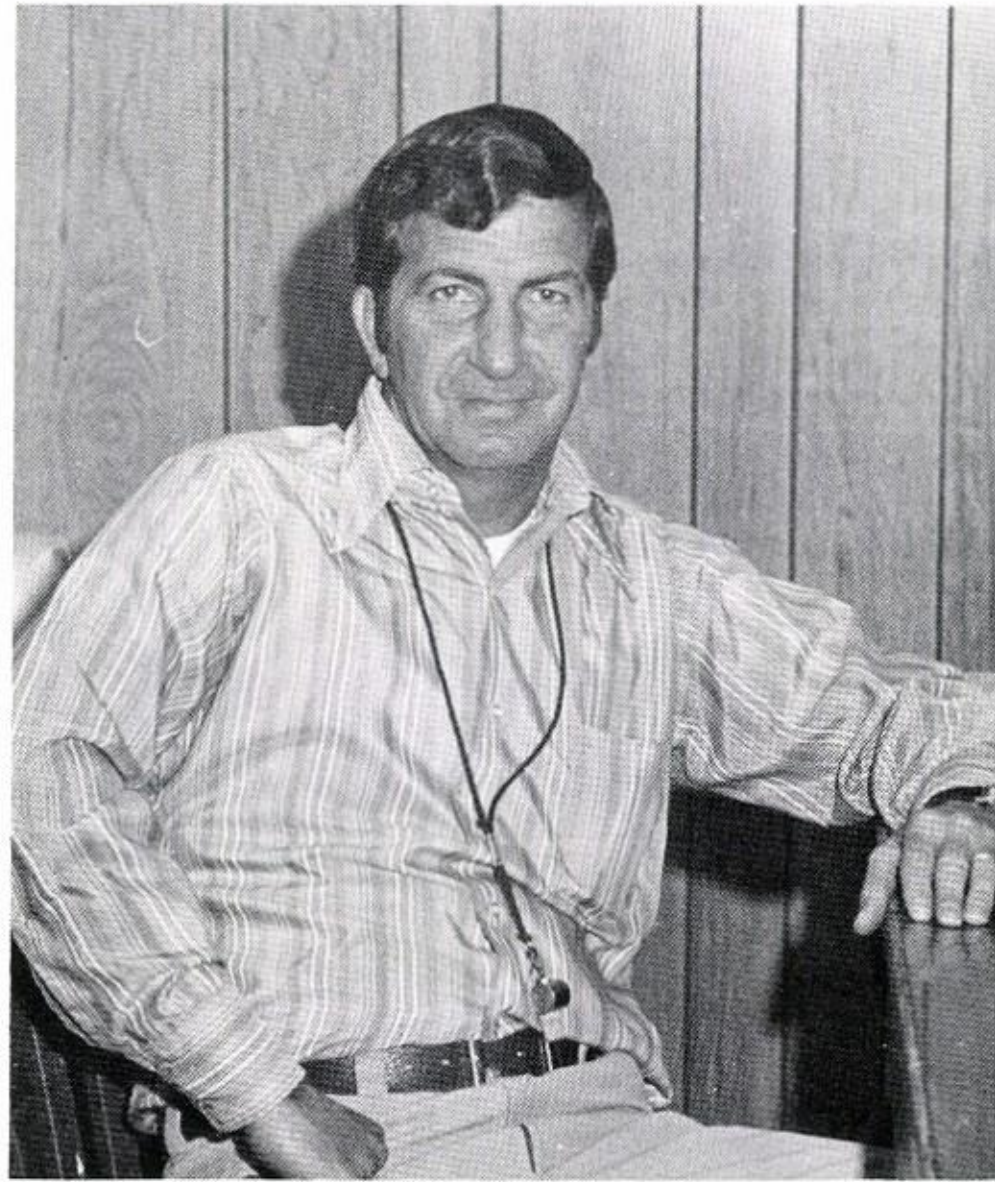

A Time for Guidance

As we begin nearing the end of the 1974-75 school year, many changes will be taking place around England Academy. Soon the hall that was once crowded with students will be empty. No more will the laughter of students be heard as they carry on their daily student life. When the doors of England Academy are closed for the summer, each student will leave the campus of E.A. taking with them many memories.

The new faces that were seen on the first day of school will become dear friends to some. The activities that students participated in will someday be told to their children. The conversations and laughter that were shared will become memories that will never be forgotten.

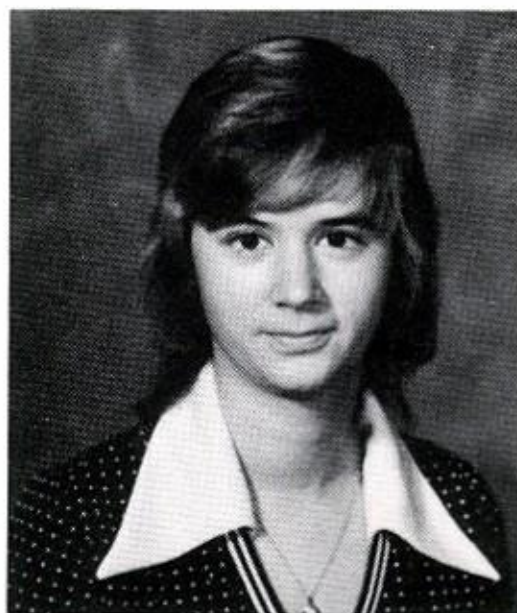

Yes, the year of 1974-75 will end with a great success. But the memories will live on.

Two junior girls of 1974 were chosen to represent England Academy at the 1974 session of Girls State. Girls State was held at Camp Robinson near Little Rock.

The main purpose of Girls State is to teach the fundamentals of our complex government. During the session Vicki and Ledi were elected to city offices. Vicki was elected to a county office and Ledi served as an election judge.

These two girls were selected by the faculty. The requirements which they had to meet were a B average, a willingness to work with others, an ability to work with others well, and a leadership quality.

Fire Marshalls

From Left to Right: Tony Bogy, Lewis Carl Lee, Chuck Overton, Lindle Sheppard, Dennis Lovelace, Jeff Jones.

These boys were chosen to lead our school if we should have a fire. Chuck and Lewis attended a clinic for Fire Marshalls. They brought back many new ideas to increase the safety of our school. Thank you for your leadership boys.

A Time for

E.A. 20 Pulaski 0

A great 2nd half comeback and a willing defense resulted in the Rebels season opening victory in War Memorial Stadium. Dennis Lovelace, Chipp Frizzell, and Tony Bogy all scored for the Rebels.

Jefferson 3 E.A. 0

A field goal was all it took as the Jefferson Patriots knocked off the Rebels for undisputed league supremacy. The Rebel defense played inspired football throughout the game as they held Jefferson 3 times inside the five without giving up a touchdown.

Briarcrest 20 E.A. 7

The Briarcrest Saints used Rebels mistakes to upset the home team in their 3rd game of the season. The Rebels were plagued by fumbles and penalties throughout the contest. Tony Bogy caught a Chipp Frizzell pass for the Rebels only score.

Determination . . .

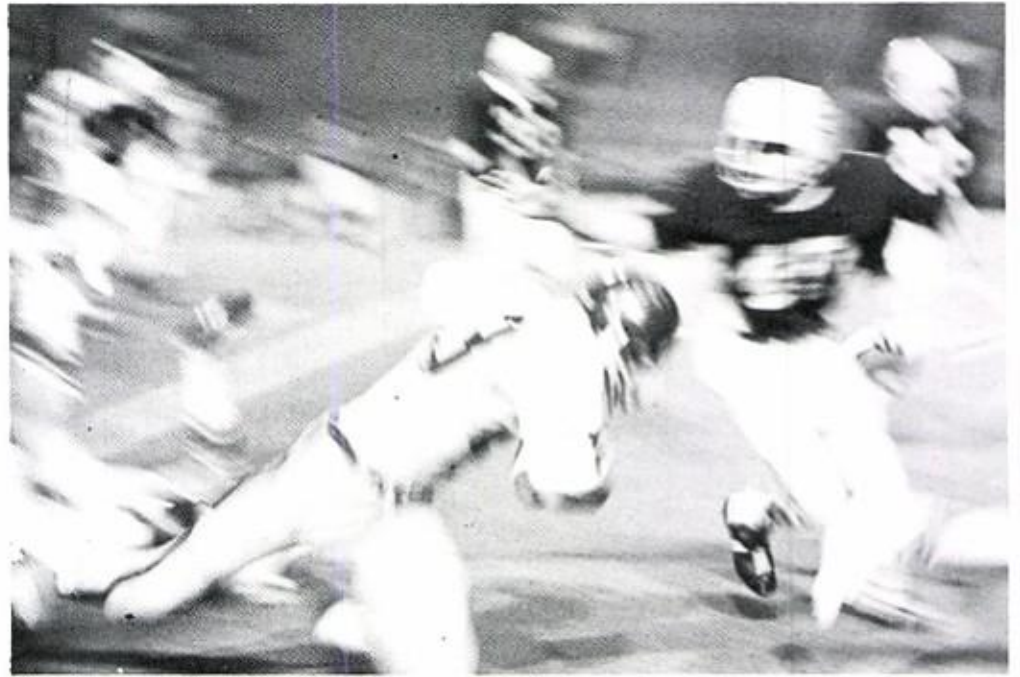

E.A. 56 Southeast 0

England Academy breezed to it's second win of the season by downing a weak but very game team from Southeast Academy 56-0. Dennis Lovelace, Tony Bogy, Robby Robelot, Chuck Overton, Steve Gibbs, Jeff Jones, Jimmy Cannon and Travis Woosley all scored for the Rebels.

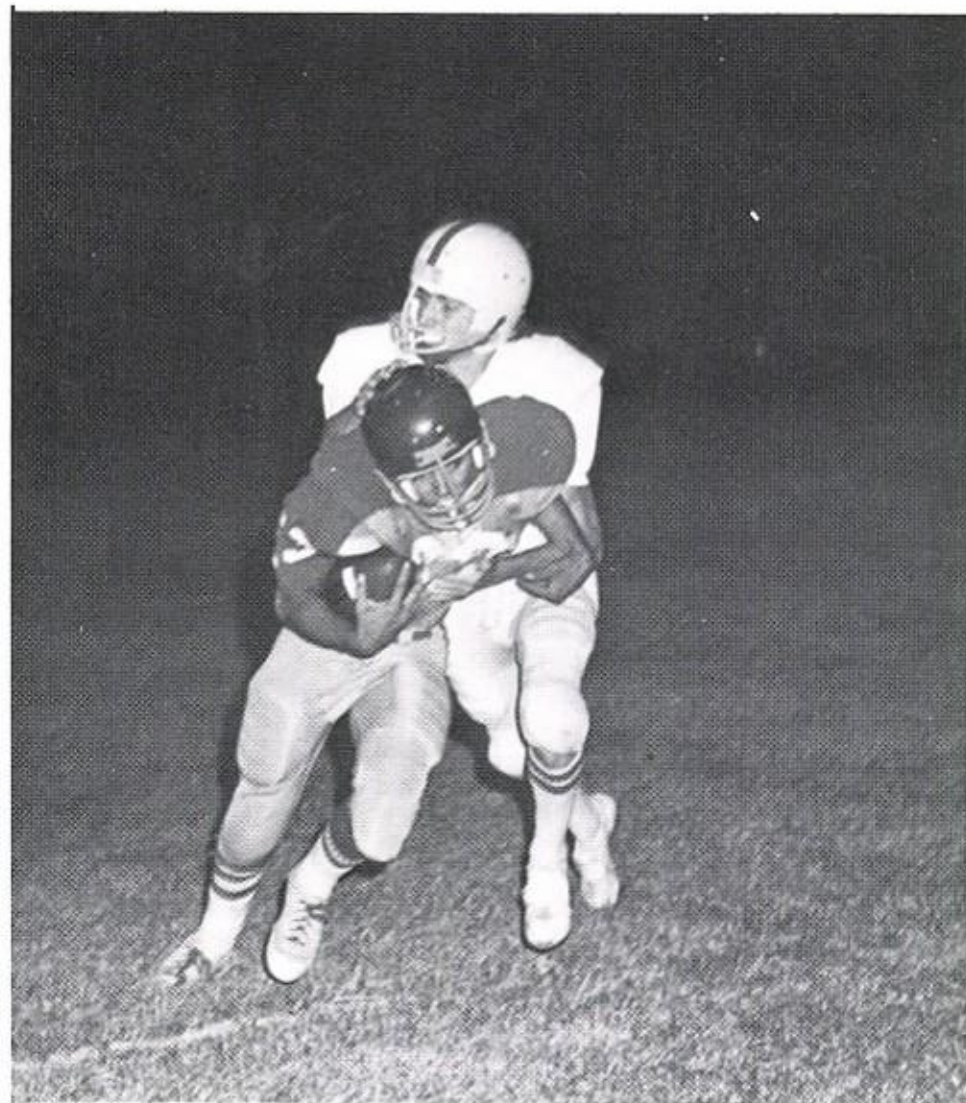

E.A. 29 Pulaski 18

The Rebels had to subdue a battling bunch of Bruins to obtain their 3rd win of the season. The "never say die" Bruins closed to within four points three times during the contest before the Rebels triumphed. Dennis Lovelace scored two touchdowns and Chip Frizzell and Tony Bogy added one apiece.

E.A. 40 Montrose 14

Halfback Tony Bogy rushed for 184 yards and two touchdowns to lead the Rebels to a 40-14 homecoming victory. Robby Robelot, Jeff Jones and Dennis Lovelace also scored for the Rebels. Mike McGhee, Danny Cox, Lindle Sheppard, and Danny Lovelace led the defensive charge.

E.A. 6 Woodlawn Terrace 0

Dennis Lovelace plunged one yard in the second quarter to give the Rebels their 5th win of the season. The Rebels defense played flawlessly throughout the game as Woodlawn never seriously threatened. Danny Lovelace, Steve Gibbs and Bill Clubbs were the defensive leaders.

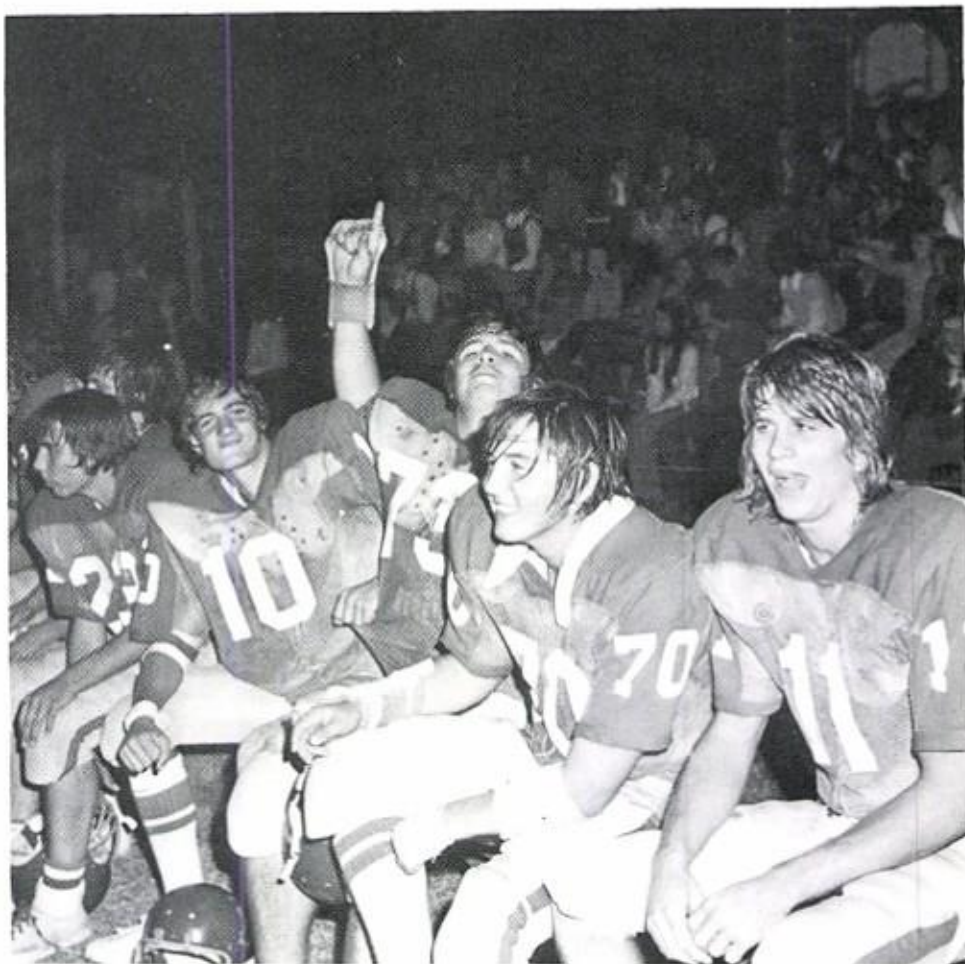

Chapel Academy 26 E.A. 14

Chapel Academy used Rebel mistakes to down the last game of the season 26-14. The Rebels came into the game depressed after hearing the news that Jefferson had refused to play them in the playoff. Dennis Lovelace and Tony Bogy scored for the Rebels in the season ending contest.

The 1974-75 Rebel football season was one filled with mixed emotions. The win-loss record was 6-3, which, for many schools would be a successful season. But for the Rebels it was a season of frustration. First, a controversial field goal by Jefferson quelled their chances for revenge that they had waited on for three seasons. Secondly, the Patriots from Jefferson refused to play the Rebels in the championship game, ending all hopes for a league championship.

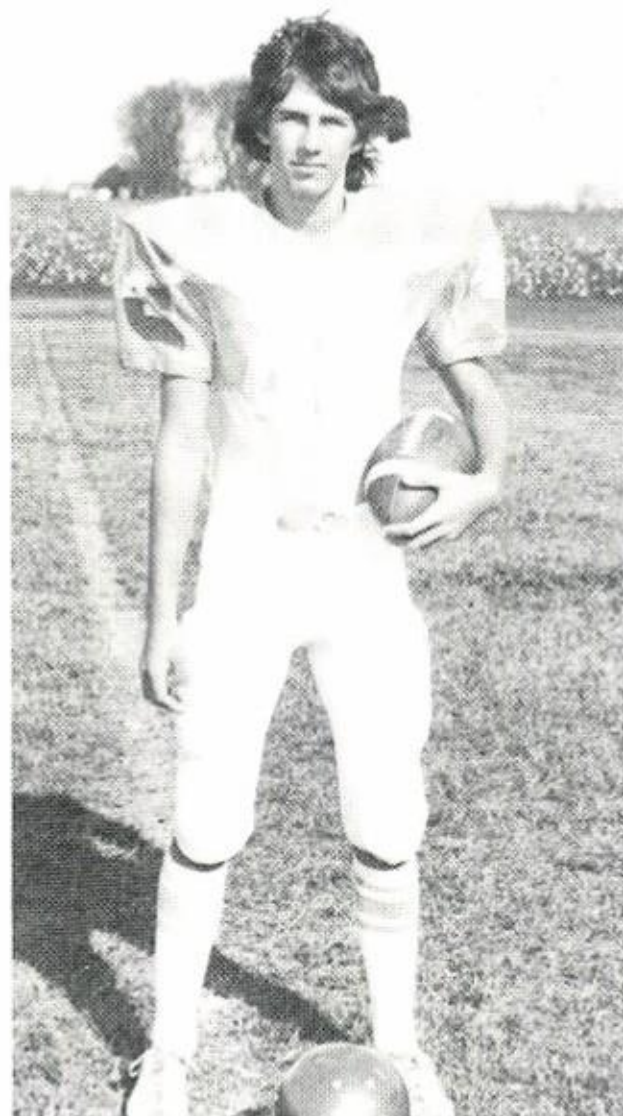

These were just a few of the events that kept the Rebels from reaching their preseason expectations. But with most of the squad returning next season, spirits will again be high in the Rebel camp.

The 1974-75 Rebel Basketball season opened on a sour note as the Senior cage team dropped two games in a row to powerful Lee Academy. But led by such outstanding Seniors as Tony Bogy, Danny Lovelace, and Steve Dardenne (all three-year lettermen), the team made an upward surge near the end of the season to finish strong in the conference race.

Although the Rebel basketball season was not one of championship caliber, with returning players such as Dennis Lovelace, Jeffrey Jones, Lewis CarlLee, and Chuck Overton, the Rebel future looks very bright indeed!
